No. C05-04128 HRL

**ORDER GRANTING SECOND
STIPULATED REQUEST FOR
ADMINISTRATIVE RELIEF FROM
CASE MANAGEMENT ORDER**

On July 27, 2006, this court granted the parties' first stipulated request for relief from the court's prior case management order. The July 27, 2006 order nevertheless extended certain deadlines in the event the case did not settle by mid-August 2006. The parties now jointly request an additional four weeks in which to finalize their settlement. Upon consideration of the parties' stipulated request, and good cause appearing, IT IS ORDERED THAT their request is GRANTED.

However, if the case has not settled, plaintiffs shall file a "Notice of Need for Mediation" no later than **September 29, 2006**, and the parties shall complete their initial disclosures, including defense disclosures re construction or alteration history of the subject premises no later than **October 13, 2006**. If the case does not resolve at mediation, plaintiff

1 shall, within seven calendar days of the mediation, file a Motion for Administrative Relief
2 pursuant to L.R. 7-11 requesting a Case Management Conference.

3 Any party who wishes to be relieved of any requirement of this order may file a Motion
4 for Administrative relief pursuant to Civil L.R. 7-11.

5 IT IS SO ORDERED.
